

## **NOMINATING COMMITTEE**

The Nominating Committee of the Kayuta Lake Improvement Association (KLIA) unanimously recommends the following as officers for 2011:

President—Shaw Corrigan  
Vice-president—Bill Miller  
Treasurer—Jack Moran  
Secretary—open position

And as board members:

Peter Bolos  
Wink Doolittle  
Al Candido  
Don Lenczewski

If anyone wishes to be considered for board vacancies or knows of anyone who may be interested in the future please contact any member of the Nominating Committee (Wink Doolittle, Bill Miller, Justin Wilcox, Frank Marfone, and Debbie Belmont).

Thank you! Wink Doolittle, Chairman

## **TREASURER'S REPORT**

The calendar says that it's June, but it sure hasn't felt like it. But I have hopes that the weather will get better and we can enjoy some great fun on Kayuta Lake. For 2010, I think we have our Kayuta Lake database in pretty good shape. I have made many corrections, updated addresses etc. One thing we are lacking is email addresses. If you have an email, please provide it to us – as when we have something urgent to let the campers know about – we can do it with a mass email. To date – I only have email addresses for about 20% of the membership.

We are starting 2011 our in very good shape. Here is a breakdown of various accounts:

Main Checking: \$4,918.98  
Money Market: \$10,089.78  
Merchandise Acct: \$754.94  
Plus we have a CD that renewed in February, 2011.

If you have any questions, you can email me at Jack@KayutaLakeNY.com. As I receive your membership dues, I will send out your membership sticker. Remember please get your dues in ASAP – as this year membership will be checked at the Island Fun Day Picnic. Hope everyone has a great summer on Kayuta Lake.

Jack Moran, Treasurer

## **KLIA MEMBERSHIP**

In 2010 our membership was down slightly from the previous year – but for \$15 for the membership – it all provides the

KLIA members with some good times throughout the summer season. There are just about 350 names contain on our master address list that we use to send out information. If you know someone who might not be a member, please invite them to rejoin.

KLIA is also offering current members the option to sponsor a new member and KLIA will waive the first year's membership fee. Details are present on the membership form contained in this newsletter.

## **FUN THINGS ON KAYUTA LAKE**

One of the goals of KLIA is to bring the people of Kayuta Lake together. One of the ways we try to accomplish this is thru the FUN family oriented events that many people work diligently on that allow you to get to know your lake neighbors and have a summer that you and your family will remember for years to come.

The line up for the SUMMER 2011 will have some variations on old events and the return of one shindig that we hope will turn into an annual event:

### **1. Pickerel Fishing Derby:**

Thank you to all the participants of the 2010 pickerel derby. It was a great time for all and lots fish were caught. Some wonderful prizes were awarded courtesy of Wilcox and Shakespeare. Jamie Carr directed the derby with Brad Gardener and Karen Corrigan along with help from others.

The 2011 derby will be held on June 25th at Corrigan's beach from 6am until 3pm. There will be a \$5.00 entry fee for adult participants 13 years of age and older. The junior class of 12 and under are free.

Rod and reel combos will be given for first, second, and third place finishers in each class. No fishing license is required as the derby coincides with the NYS Free Fishing Days.

Peter Bolos

### **2. KLIA Boat Parade:**

The boat parade in 2011 will be part of the Island Fun Day festivities held on July 23, 2011 (rain date July 24). Show up with your decorated watercraft and entry form at 12pm. Parade around the lake will start shortly after all are assembled and checked in (check in boat will be flying a USA flag so you know where to sign in and get your route and finish plan).

Last year's committee will be organizing the parade once again for 2011 and is headed by Al Candido along with George Oakley and Chris Austin.

If you have any questions or would like to help this committee be sure to contact them as soon as possible. Volunteers are

always welcome and we always need people to take some close up digital photos of all the entries so we have some good pictures for web site.

Details on where boats will be meeting to start the parade will be provided at the Spring Meeting and placed on the web site when they are available. Please show up there near 12pm with your entry form.

All participants will receive a prize for participating. Be sure to get your family and friends involved and push your neighbors to join in this day of fun.

### **2010 Boat Parade**

Thanks to Al Candido and his committee for the hard work organizing the 2010 Boat Parade. The participation wasn't gigantic but a lot of fun was had by all including those that followed and voted. Congratulations to all.

### **3. Island Family Fun Day:**

More festivities means more FUN!

Saturday July 23 (rain date July 24). Time for this awesome event is 1pm.

The location will be on the islands of course!

KLIA will be providing (for paid members, their families and friends) grilled food by the expert grilling staff as appointed by Henry Alberico, thirst quenching beverages, and snacks. We are requesting anyone that would like to bring a dish or dessert to put out on the tables to please feel free to add to the mix.

The main attraction will once again be John Duda and his family who will be providing music as he has done for many years, for your listening and DANCING pleasure. We are so grateful for their contribution to this event so be sure to contact him for any event you may be planning on your own at 315-736-0380 or 315-525-9552.

Games for all ages to keep the fun rolling thru the event (don't be shy get involved in the fun, it will surely make your day).

PS—Thank you so much to Henry Alberico for all the hard work you and your team did for this event in 2010!

Due to limited space on the island and because it is always well attended, we ask that everyone consider "boat-pooling" so as many as possible can get a spot and enjoy the festivities.

### **4. Water Ski School on Kayuta Lake:**

Camp Mohawk Valley Waterski School will return to Kayuta Lake once again in 2011! Ski School will be held the weeks of August 8-12 and 15-19. There are currently openings for both weeks and all ski school students are invited to participate in the ski school show Saturday August 20<sup>th</sup> before the X-Squad Ski Show. The Serth family loves holding ski school at Kayuta

Lake and hope for another successful season. Ski school will be held at the Corrigan residence and anyone interested in attending can call 518-864-4465 or email [cmvski@aol.com](mailto:cmvski@aol.com) for more information on ski school and how to enroll!

This year Camp Mohawk Valley Ski School and the Kayuta Lake Improvement Association are sponsoring two "scholarships" to the ski school. Each student enrolled or interested in enrolling for ski school is encouraged to write a letter to ski school about why they would like to go to ski school, what they really enjoy about ski school and their favorite things they've learned or goals that they hope to attain at ski school. The letters may be mailed to the address below or emailed to [cmvski@aol.com](mailto:cmvski@aol.com) with the email subject 'ski school letter'. All entries must be received by July 10<sup>th</sup> and only 1 entry per student will be considered. Please be sure the students' name, address, phone number and age are on the letter. The authors of the 2 most compelling letters will each win a free week at ski school, one winner being sponsored by the Kayuta Lake Association and the other by Camp Mohawk Valley Water Ski School. The winners will be announced on August 1<sup>st</sup>. Good luck to all and we will see you on the lake soon!

Camp Mohawk Valley Ski School  
8496 Mariaville Road  
Pattersonville, NY  
12137

### **5. Water Ski Show:**

It's that time of year again! For the 7<sup>th</sup> annual Camp Mohawk Valley Exhibition Squad Water Ski Show! The X-Squad show is set for Saturday August 20<sup>th</sup> (rain date in August 21<sup>st</sup>) at 2pm with the Ski School show beginning at 12:30pm. The Ski School Show is open to ANY student that attends EITHER week of ski school at Kayuta Lake. Ski School kids are asked to arrive at 11:30am to prepare for the show. The X-Squad show will be as thrilling and exciting as ever with 3-tier pyramids, high flying jumpers and barefooters speeding by at up to 45 mph! The show will take place at the same spot as usual on the north side of Dustin Bridge in front of the Corrigan's house. The show space will be buoyed off and spectators are expected to anchor on the outside of the buoys for the safety of the skiers. The X-Squad is looking forward to yet another fantastic year on the Kayuta Lake and will once again be hosting Pirate Night on the island following the ski show Saturday night. Pirate ship rides will be given to those wearing any pirate attire.

### **6. KLIA Land Picnic**

It's Back!!!

The KLIA Member Land Picnic will be held on Saturday, August 27<sup>th</sup> 2011 at the Kayuta Lake Campground (Pavilion). Noon till 5pm.

Burgers, Hot Dogs, rolls, condiments, tableware and Pavilion fees will be provided by KLIA. Each family attending, will be asked to bring a generous pot luck dish to share! (food

categories assigned alphabetically by your last name)  
Please bring your own cold beverages! (avoid glass if possible)  
Coffee & Tea will be provided.

Bring coolers, and ice to share to help keep foods fresh. If bringing something heated, a warming plate and an extension cord would be helpful.

John's DJ service will be on hand to entertain!

Food categories by member's last name letter:  
A-H asked to bring: appetizers, finger foods, or snacks  
I-P asked to bring: salads, veggies, or side dishes  
Q-Z asked to bring: desserts, baked goods, or sweet treats

Please feel free to bring extras, or something special! Be creative or different!

Serving utensils appreciated! (don't forget to label your dishes so you get them back).

Volunteers needed to set-up, cook, clean-up, and activities. RSVP attendance sheet, and volunteer sign up sheet will be available at the spring KLIA meeting, or call Lillie Duda (leave message) at 315-736-0380, or email [lillied@roadrunner.com](mailto:lillied@roadrunner.com)  
Members please respond with number of family attending by July 30<sup>th</sup>.

This is our first time hosting the picnic, and we're sure we will miss something, so your help is greatly appreciated. Activity ideas are welcome! Let's all pull together and reignite a tradition of the KLIA!!! Please Join us! Lillie and John Duda.

## **KLIA MERCHANDISE FOR SALE**

For 2011, we have the following items available for sale:

- Welcome To Kayuta Lake signs made of wood and twigs for \$12.00.
- Kayuta Lake Can Koozies insulators to keep cans/bottles cold \$3.00.
- Kayuta Lake coffee mugs stoneware/ceramic for \$6.00.
- Kayuta Lake insulated travel mugs plastic for \$5.00.
- KLIA key floats for \$3.00.
- KLIA LED light key rings for \$3.00.
- KLIA Christmas ornaments for \$6.00.
- KLIA Pub glass (16oz) for \$4.00.
- Kayuta Lake stuffed moose for \$8.00.
- 

The above items will be available for sale at 3 local business locations again during the 2010 season:

Kayuta Drive In (thank you Jay Minosh)  
Bonnie's Country store (thank you Cindy Marlotti)  
Kayuta lake Campgrounds (thank you Mike & Karin Caccavale)

When you stop in at these businesses please thank the owners for holding these KLIA items at their store locations for you to purchase anytime.

Please note that certain items may not be available at all locations based upon their ability to stock those items. If you would like to purchase any item please contact Bill Miller and I will direct you or create an order for delivery. KLIA merchandise will also be available at the following KLIA events:

Land Picnic  
Pancake Breakfast  
Fall Meeting

**Many apologies!** We had some issues with the fleece order that was done last year and as a result, it became very difficult to track who ordered and received their orders. I had orders that were called to the buyers but had no returned calls as well as some items that were never delivered from the supplier. If you have any questions about a missing order please contact me ASAP. I will do everything I can to make it up to you.

Bill Miller

## **KAYUTA CRITTERS**

Are the geese making a mess on your lawns? Are you wondering what you can do so they will leave your water front alone? Here are a few "green" suggestions:

- Geese feed off young grass shoots. If possible leave your tailored lawns a little long (about 10-14") at least near the water's edge. Avoid using fertilizer that encourages new tender grass or replace your grass with plants like ivy, pachysandra, juniper, periwinkle, myrtle, hostas, plantain lilies or fescue (grass).
- If you have a dog, tie him near the shoreline.
- Don't feed any of the lake birds including ducks.
- Plant or encourage native shrubs or wild flowers on the shoreline and create a natural fence. Geese do not like obstacles.
- Install fencing at least 14" high. Barriers will be more effective during the summer molt when flying is difficult for

the geese (mid June- July).

- Plastic and nylon fencing may be effective but will require more maintenance.
- Some people have resorted to a low voltage electrical fence as well. This should be at least 8 -16" above the ground.
- If fencing is not an option, you may have luck with Mylar tape. This tape should be strung on stakes that are 20 feet apart. Make sure you twist the tape at least once before securing it to the stakes. When the wind blows the tape produces a sound that will repel the birds.

For more information go to [http://www.dec.ny.gov/docs/wildlife\\_pdf/when\\_geese\\_become\\_a\\_probleml.pdf](http://www.dec.ny.gov/docs/wildlife_pdf/when_geese_become_a_probleml.pdf).

Mary Beth King

## **Boater Safety Course**

Though there is no KLIA sponsored Boater Safety Course this year, The Oneida County Sheriff's office is busy teaching classes all over the county. There are also many classes scheduled around the rest of NY state. Those interested in taking a course in your area can check the schedule posted on the NYS Parks and Recreation website at [www.nysparks.state.ny.us/recreation/boating/safety-courses.aspx](http://www.nysparks.state.ny.us/recreation/boating/safety-courses.aspx). Contact information to register for these classes is also listed on the website.

Whether you have a boater safety certificate or not, all KLIA members are once again encouraged to review the NYS boating regulations with all members of their family and visitors that will be boating on Kayuta Lake. Several scary incidents last summer resulted in some injuries on the lake so please be mindful of the "rules of the road". Knowing the requirements is each boater's responsibility.

Please continue to be respectful of the speed limits especially in the areas of Dustin Rd. and Ebert's bridges as well as the railroad trestle. Congestion and blind corners in these areas can create dangerous situations that unsafe speeds can greatly compound. Enjoy the summer and stay safe!

## **DAM AND WATER LEVEL**

Jong Longway from Algonquin Power Company reported that there was a FERC inspection of the Kayuta Lake dam on Monday June 6th. There was an underwater dam inspection on Friday the 10th. Both inspections concur that the dam is in need of repairs. This is tentatively scheduled for this summer/fall season. As far as he knows there have not been any decisions about lowering the lake to complete the repairs and the lake level is still currently 1141.60. John has a monthly inspection to complete hopefully mid week and then after that he will raise the lake level to 1141.70. This is the same as they did for Kayuta last year. John explained that every month an inspection is to be performed, the lake will be dropped to .60 to allow access to the dam and for a better inspection. The raising and lowering process takes a couple days to complete.

## **SEPTIC SYSTEMS**

Here's the poop! Local codes enforcement officers can issue the required permits for updating your septic system. All new and/or replacement systems must be designed by a licensed engineer and seepage pits/dry wells can no longer be installed as new systems. They are legal until they fail and must then be replaced with the appropriate engineer designed system, as location and soil conditions dictate.

For those who wish to test their septic systems to be sure they are not leaching any waste into the lake, test kits are available at the Spring and Fall meetings or contact any of the board members. Kits are \$4.00 each.

## **BUOYS ON THE LAKE**

I have been contacted by the New York State Navigation division about their plans for replacing and possibly adding additional BuOy markers on Kayuta Lake.

At an undisclosed time in the near future they will again contact me to set a time to travel the lake together to point out these replace and possible new buoy locations through the main channels of the Lake.

## **KLIA Dot Com**

As with any organization, communication to all members is our biggest challenge. KLIA has used many types of communication to let all members know what's going on. The newsletter has been out traditional method but recently we've expanded to include email and the KLIA web page at [www.KayutaLakeNY.com](http://www.KayutaLakeNY.com). All members are entitled to access the website so if you still need your user ID and password please contact me at [Bill@KayutaLakeNY.com](mailto:Bill@KayutaLakeNY.com). In addition to the web page, you can also "friend" the Kayuta Lake Improvement Association on Facebook to see important notices and post your comments and questions.

Please include your email address on your annual membership form so that we can send you your secret code to access the website. This email address will not be added to the KLIA email list unless you specifically request it to be. We are all sympathetic to the problem of email overload and we don't want to end up in your SPAM filter!

As always, if you have any suggestions, questions, or comments please don't hesitate to contact me at [Bill@KayutaLakeNY.com](mailto:Bill@KayutaLakeNY.com) or 831-2205.

Bill Miller

## **FISH STOCKING UPDATE**

As per our discussions at the 2010 Fall meeting, we held off on stocking bass until we could get a survey of how well the current population is doing. We were concerned that the state

stocking of tiger muskie at the rate of 1000/year would kill off newly stocked bass. At our request, the state did not stock tiger muskie in the fall of 2010.

We are currently working to retain Dan Josephson to arrange with the DEC an electro-shock fish survey to get an accurate picture of the fish population in the lake. Dan works for Cornell and his rate is \$80.00/hour for consulting, drafting an information letter to NYS and speaking with the DEC to convince them to do a sampling on Kayuta Lake. He expects this to take four hours of his time. Hopefully, the outcome will lead to NYS conducting the fish survey. We have reached out to NYS ourselves but to no avail due to state funding issues.

Enjoy the summer!

Peter Bolos

## **LOST AND FOUND**

If you have lost something and would like to let people know or if you've found something and would like to help find the owner send an email to Bill Miller at [Bill@kayutalakeny.com](mailto:Bill@kayutalakeny.com). We will send out an email blast and place a notification on the KLIA webpage.
